Point this way to manipulate  
Fall from grace try to separate  
Aim so high you disintegrate  
Feels so wrong so we hesitate  
Face to face I see right  
Through your empty broken eyes  
Time to change what we used to be  
I don't care for your fucking lies

I'm so sorry now  
But I gotta say I have to walk away  
This place is just like acid through my veins

Hear my words of experience  
Fear my thoughts of hindrance  
Chaos causes silence  
Time to take back, taken from me

I'm so sorry now  
But I gotta say I have to walk away  
This place is just like acid through my veins

I can't, go on, living, like this  
I can't, seem to, break free, from THIS...

I'm so sorry now  
But I gotta say I have to walk away  
This place is just like acid through my veins
