Look to the clock on the wall
Hands hardly movin at all
I can't stand the state that I'm in
Sometimes it feels like the walls closin in

Oh lord what can I say
I'm so sad since you went away
Time time ticken on me
Alone is the last place I wanted to be
Lord what can I say

Tremble my troubles away
Drown my sorrow same way
Seems no matter how hard I try
Feels like there something just missin inside

Oh Lord what can I say
I'm so sad since you went away
Time time ticken on me
Alone is the last place I wanted to be
Lord what can I say
Oh Lord what can I say

How many rules can I break
How many lives can I make
How many roads must I turn
To find me a place where the bridge hasn't burned

Oh lord what can I say?
I'm so sad since you went away
Time time tickin on me
Alone is the last place I wanted to be

Oh lord what can I say?
I'm so sad since you went away
Time time tickin on me
Alone is the last place I wanted to be

Lord what can I say?
Oh lord what can I... say?
