Around here, it's the hardest time of year  
Waking up, the days are even gone  
The collar of my coat, Lord help me, cannot help the  
cold  
The rain drops sting my eyes, I keep them closed

But I'm feelin' no pain  
I'm a little lonely and my quietest friend  
Have I the moonlight? Have I let you in?

Say it ain't so, say I'm happy again  
Say it's over, say I'm dreaming  
Say I'm better than you left me  
Say you're sorry, I can take it

Say you'll wait, say you won't  
Say you love me, say you don't  
I can make my own mistakes  
Let it bend before it breaks

I'm alright, don't I seem to be?  
Aren't I swinging on the stars? Don't I wear them on my  
sleeve?  
Went looking for a crossroads, it happens every day  
And whichever way you turn, I'm gonna turn the other  
way

Say it's over, say I'm dreaming  
Say I'm better than you left me  
Say you're sorry, I can take it

Say you'll wait, say you won't  
Say you love me, say you don't  
I can make my own mistakes  
Learn to let it bend before it breaks

Say it's over, say I'm dreaming  
Say I'm better than you left me  
Say you're sorry, I can take it

Say you'll wait, say you won't  
Say you love me, say you don't

I can make my own mistakes  
Let it bend before it breaks
