I left home a long, long time ago  
In a tin can for the road with a suitcase and some  
songs  
Chasing miles through the nighttime making tracks  
With no time for looking back to the place where I  
belong

How these days grow long  
But I'm on my way back home  
It's been hard to be away

How I miss you and I just wanna kiss you  
And I'm gonna love you till my dying day  
How these days grow long

When you're sad, you know I wish I could be there  
To make your sorrows disappear and set your troubles  
free  
It's not fair for me to be this far from you  
But I promise to stay true wherever I might be

Time keeps burning  
The wheels keep on turning sometimes  
I feel I'm wasting my day

How I miss you and I just wanna kiss you  
And I'm gonna love you till my dying day

How these days grow long  
Time keeps burning on  
How these days grow long

Now I'm lost in a sea of sunken dreams  
While the sound of drunken screams echoes in the  
night  
But I know all of this will come to pass  
And I'll be with you at last, forever by your side

How these days grow long  
But I'm on my way back home  
It's been hard to be away

How I miss you and I just wanna kiss you  
And I'm gonna love you till my dying day

And time keeps burning  
The wheels keep on turning sometimes  
I feel I'm wasting my day

How I miss you and I just want to kiss you  
And I'm gonna love you till my dying day

How these days grow long  
Time keeps burning on  
How these days grow long
