Long is the day, take it away  
Hold it up and you don't let it fall  
'Cause devil's play was yesterday  
And I don't care about that at all

I just smile, once in a while  
'Cause I don't want the lines on my face  
And I sit right here, holdin' the years  
And I count all the stars in space

You fall apart again  
And you can find a friend  
Don't turn to someone else  
'Cause they won't understand

Self respect, goes unexpressed  
I don't dream because I cannot sleep  
And I think the world of myself  
But the world doesn't think much of me

As long as the day is full of time  
There will always be room  
For your hand in mine

You fall apart again  
And you can find a friend  
Don't turn to someone else  
'Cause they won't understand

I don't want to hear you say  
That you miss yesterday  
If you don't like what you see  
That means nothin' to me

No one's home, I'm alone  
With my music and my TV  
And I still say, yesterday  
Is best when left to sleep

You fall apart again  
And you can find a friend  
Don't turn to someone else

'Cause they won't understand

I don't want to hear you say  
That you miss yesterday  
If you don't like what you see  
That means nothin' to me  
That means nothin' to me
