Oooh

I sometimes lose my faith in luck  
I don't know what I want to be when I grow up  
I just count the rain  
Wearing the floor through the boards again  
I wish I could find a soul to steal  
I could be the engine, you could be the wheel  
When we're driving home, I never have to worry about  
being alone

[CHORUS:]

Oooh, follow my tracks  
See all the times I should have turned back  
Oooh, I wept alone  
I know what it means to be on my own  
Oooh, the things I have known  
Looks like I'm taking the hard way home  
Oooh, the seeds I've sown  
Taking the hard way home  
Taking the hard way home

I never did learn how to follow the rules  
I never was good at sleeping while the moon was full  
I just lie and burn  
Wreck my mind while the planet turns  
I sometimes wish I could start again  
I'd try and do the right things every now and then  
I'd step in line  
That's what I would do if I could turn back time

[CHORUS:]

Oooh, follow my tracks  
See all the times I should have turned back  
Oooh, I wept alone  
I know what it means to be on my own  
Oooh, the things I have known  
Looks like I'm taking the hard way home  
Oooh, the seeds I've sown  
Taking the hard way home  
Taking the hard way home

oooooooooooooh

I tell you how I want to live  
Forget about the take  
Forget about the give  
I want to leave this town  
Fake my death and never be found

[CHORUS:]

Oooh, follow my tracks  
See all the times I should have turned back  
Oooh, I wept alone  
I know what it means to be on my own  
Oooh, the things I have known  
Looks like I'm taking the hard way home  
Oooh, the seeds I've sown  
Taking the hard way home  
Taking the hard way home

I sometimes lose my faith in luck  
I don't know what I want to be when I grow up  
I just count the rain  
Wearing the floor through the boards again  
I wish I could find a soul to steal  
I could be the engine, you could be the wheel  
When we're driving home, I never have to worry about  
being alone

[CHORUS:]

Oooh, the things I have known  
Looks like I'm taking the hard way home  
Oooh, the seeds I've sown  
Taking the hard way home  
Taking the hard way home  
Taking the hard way home
