## Verse 1:

I left home a long long time ago  
In a tin can for the road  
With a suitcase and some songs  
Chasing miles through the night time  
Making tracks with no time for looking back  
To the place where I belong

## Chorus 1:

How these days grow long  
But I'm on my way back home  
It's been hard to be away  
How I miss you and I just want to kiss you  
And I'm gonna love you till my dying day  
How these days grow long

## Verse 2:

When you're sad you know I wish I could be there  
To make your sorrows disappear  
And set your troubles free  
It's not fair for me to be this far from you  
But I promise to stay true, wherever I might be

## Chorus 2:

Time keeps burning  
The wheels keep on turning  
Sometimes I feel I'm wasting my days  
How I miss you and I just want to kiss you  
And I'm gonna love you till my dying day  
How these days grow long  
Time keeps burning on  
How these days grow long

## Verse 3:

Now I'm lost in a sea of sunken dreams  
While the sound of drunken screams echos in the night  
But I know all of this will come to pass  
And I'll be with you at last, forever by your side

## Chorus 1:

How these days grow long

But I'm on my way back home  
It's been hard to be away  
How I miss you and I just want to kiss you  
And I'm gonna love you till my dying day

Chorus 2:

Time keeps burning  
The wheels keep on turning  
Sometimes I feel I'm wasting my days  
How I miss you and I just want to kiss you  
And I'm gonna love you till my dying day  
How these days grow long  
Time keeps burning on  
How these days grow long
