Everything I do
Surrounds these pieces of my life
That always change
Or hey, maybe Iâ€™ve changed

Sometimes being happy
Can be self-destructive
Even when youâ€™re sane
Yeah youâ€™re only insane

But donâ€™t bother waking me today

Here I am
Iâ€™m so young
Hey I am bitter
I've been jaded
Cause everyday
I bite my tongue
If you only knew
My mind was full of razors
To cut you like a
Worry from this song

This is my song
This is my song

I live everyday
Like theyâ€™ll never be a last one
Till theyâ€™re gone
And theyâ€™re gone
Iâ€™m stick to make me your
Your attention and your friendship
And your time
So you could come and get it from now on

Chorus

This is my song
This is my song

Chorus
