I heard the news today
I guess that's what i thought you'd say
I guess you thought i'd care
But guess what i don't
So you can go to hell

I wore your shirt to bed again
But that was way back when
And i don't want to touch you like i did
As stupid as ive been

I used to need you in my bed
I used to need you just to breathe
But i think that was in my head

I used to call you on the phone
Hoping you were all alone
So you might put me in your car
But look at how i've grown

Please understand i am over you
im overjoyed im overwhelmed
please understand

yeah but if you bat your eyes

And whisper pretty please
I might go there again
Cause youwere always such a tease
But i don't want you
And i don't need you here tonight
I just wanna know that
I will wake up confident
My head is screwed on tight oh yeah

Im overjoyed im overwhelmed
Please undrestand i am overe you

Oh im overjoyed im overwhelmed
Understand I am over you
But that was way back when
And i don't want to touch you like i did
As stupid as i've been

Im overjoyed im overwhelmed
Please understand
I am over you

I used to need you in my bones
I used to need you in my bed
I used to need you
But that was way back when
And i don't want to tou
