There's no telling what I'd do  
If I could get my hands on you  
It takes a lot to make me lie  
But now I know I'd like to try

Now I never know your mind  
And how I'd love to keep you in line  
I could smile and tell you no-o  
But how I'd hate to see you go

Oh yeaaaaahhhhhh  
Damn, you rattle my bones  
Shake my heart like a ten-pound stone  
I sometimes wish I'd left you alone

Oh yeaaaaahhhhhh  
Damn, you're makin' me weep  
Wake me up nights and I can't sleep  
Are you gonna be the death of me?

(Hey!)  
I could show you who you are  
I could kiss you in the dark  
I could take it way too far  
But I could never win your heart

Oh yeaaaaahhhhhh  
Damn, you rattle my bones  
Take my heart like a ten-pound stone  
I sometimes wish I'd left you alone

Oh yeaaaaahhhhhh  
Damn, you're makin' me weep  
Wake me up nights and I can't sleep  
Are you gonna be the death of me?

(Hey!) x3

There's no telling what I'd do  
If I could get my hands on you  
It takes a lot to make me lie

But now I know I'd like to try

Oh yeaaaaahhhhhh

Damn, you rattle my bones

Shake my heart like a ten-pound stone

I sometimes wish I'd left you alone

Oh yeaaaaahhhhhh

Damn, you're makin' me weep

Wake me up nights and I can't sleep

Are you gonna be the death of me?

(Hey!) x4
