What time is it?
Now I'm walking alone in this street
Oh, what a night...

I can't sleep tonight
Now I'm searching for someone a friend
To pass the time...

Oh, something in the air
Makes me feel so strange
Now I'm wasting my time
So it's time to change...

Rainy day
My girl has gone away
It's time to change my life
Something will happen tomorrow...

Rainy day
I can't forget this name
Oh, no regrets you can find
A new love, a new life...

Sorry to say
But I'm down on my knees
Yes, I think I lost my way...

But while there is life
There is hope
And I hope that I'll find a friend tonight...

I'm walking in the rain
But the sun will rise
There's no reason to cry
For a name, for a smile...

Rainy day
My girl has gone away
It's time to change my life
Something will happen tomorrow...

Rainy day

I can't forget this name
Oh, no regrets you can find
A new love, a new life...

Rainy day
The clouds will go away
Oh, no regrets you can find
A new love, a new life...
