### "Make Me Feel"

Visit "[Make Me Feel](#)" on [MotoLyrics.com](http://MotoLyrics.com)

where do i start  
your beauty or your passion or your charm  
or with your smile (smile baby)  
so many the others before for ya  
make me feel more thankful for ya  
baby no one else can compare to you (no no)  
going through the motions make you tired, i'm so weak  
but you give me back my fire, you're my reviver baby  
you're my superwoman girl you keep me off my feet  
and i wouldn't trade you for the world (no)

girl you make me feel  
like i found the one, i think you're the one  
you make me feel  
so incredible baby, the way you make me feel  
so unexplainable just what i'm looking for  
you make me (ey ey)  
you make me feel (ey)

you're right where i want you to be  
girl keep doing what you're doing to me (oh oh)  
cos girl i've never felt this way before  
(no i've never) no i've never felt this way before  
the girls in my past i gave them all that i had  
they don't compare to you (no no)  
you're the truth  
cos going through the motions make you tired, i'm so  
weak  
but you give me back my fire, you're my reviver baby  
you're my superwoman girl you keep me off my feet  
and i wouldn't trade you for the world (world)

girl you make me feel  
like i found the one, i think you're the one  
you make me feel  
so incredible baby, the way you make me feel  
so unexplainable just what i'm looking for  
you make me (ey ey)  
you make me feel (ey)

now i'm not trying to pressure you

i just wanted to let you know you're really special  
tell me i mean the world there's no one better girl  
baby just stay with me

girl you make me feel  
like i found the one, i think you're the one  
you make me feel  
so incredible baby, the way you make me feel  
so unexplainable just what i'm looking for  
you make me (ey ey)  
you make me

girl you make me feel  
like i found the one, i think you're the one  
you make me feel  
so incredible baby, the way you make me feel  
so unexplainable just what i'm looking for  
you make me (ey ey)  
oh baby you make me feel
