Who wants to taste my general tso...you want to taste
my general tso
I'm-a give it to you now
Who like my chopstick
hit you when I shit with my little-ass dick. Yellow
If you wanna see me eat Jell-O
I never seen nothin' like you before
I can kick you
higher than you can kick me
I can kick you way up into a tree
Who wants a taste of my oo-long tea? Ho ha ho ha who
chi chi
Everybody in the phone book name Chang wanna see
my wang?
Neva Good God hit the gong with a bang. WAAA?
Everybody wanna see me throw a fireball but that's not
right not in real life
You will fall down and break a leg
Everybody wanna see me break an egg. Well I don't
but I like fried rice and I ain't got lice
Ching chow woah ching wang woo wice

Take a shit have to go eat my shit kung-fu
Want my buffet? You fucking gay, ah
Wai-lo hit you with the hay Stay the fuck away
Hit you in the balls. Only Americans eat duck sauce
And my soy sauce is for you, I can put it in your shoe

Watch this- I can tiptoe while you take a piss
In my bathroom spy on you while your little boy shits
WAAAAAAAAAI-YAH!
I can kick you if you don't pay the bill
And if you want a little mint, that's fifty cent, bitch
Everything cost a little bit
So don't expect nothin for free, at least from me Ching

I got you from Taiwan city and Hong Kong
I can smoked a bong and I can do it all night long
And don't mistake me for a Viet Cong
I can get you and tackle you take you never see me
When I get you and bake you
Rope you up and put you in a bamboo cage and make
you feel all my rage
Poke you with a little stick till you page your buddies to

God damn that shit burned blew away my whole city
Ho Chi Minh Shoot a load on your chin
God damn thats a sad goygo goodbye
And if you wanna come on in
You can work in to my world where the yellow shit

Egg Foo Yung, En Lo Main
