Yeahh, yeah
(Yeahh yeahh)
Ohhh, ohhh

I can see the sun
Is still shining
When I'm with you
(When I'm with you)
Only with you
(Only with you)
I can see the storm
Passing over
When I'm with you
(When I'm with you)
Only with you
(Only with you)

Shawty
I got one thing
To tell you
It's amazing seeing
What I've been through
With relationships
I've been suffering
But I gotta say
That things have changed
Ever since the day
That I met you
Like a blizzard
You came unexpected
Baby, girl
I never take
The love for granted
You're the one
That I've been missin'
I can see that you
Were meant for me
(Yeahh)

I can see the sun
Is still shining
When I'm with you

(When I'm with you)
Only with you
(Only with you)
I can see the storm
Passing over
When I'm with you
(When I'm with you)
Only with you
You take my breath away
You stopped the rain
From falling
I got a habit
I just can't break
When you're with me
(When you're with me)
Baby, girl
Now I can see

Shawty
I got
One question for you
Gotta know
If you were really
Worth the wait
Baby, girl
It's been a long time
And when you near me
Girl, it's like magic
It's a feeling
I cannot replace
I feel like I hit it
Big in Vegas
A million diamonds
Couldn't even pay it
You're irreplaceable
I believe
I can see that you
Were meant for me

Chorus:
I can see the sun
Is still shining
When I'm with you
(When I'm with you)
Only with you
(Only with you)
I can see the storm
Passing over
When I'm with you
(When I'm with you)
Only with you

You take my breath away
You stopped the rain
From falling
(Whoa no)
I got a habit
I just can't break
When you're with me
(When you're with me)
Baby, girl
Now I can see

I appreciate the love
You give to me
And I can not wait
To have you here with me
Baby, take my hand
Just come
Just trust, believe
Baby, girl
I'll do anything
I can see that you
Were meant for me

I can see the sun
Is still shining
When I'm with you
(When I'm with you)
Only with you
(Only with you)
I can see the storm
Passing over
When I'm with you
(When I'm with you)
Only with you
You take my breath away
(You take)
You stopped the rain
From falling
(Whoa, no)
I got a habit
I just can't break
When you're with me
(When you're with me)
Baby, girl
Now I can see (2x)

Ohhhhhhh
Ohhhhhhhh
Ohhhh

You stop the rain

From falling
You take my breath away
You stop the rain
From falling
Baby
You take my breath away
You stop the rain
From falling
I gotta habit
I just can't break
When you're with me
Baby, girl
Now I can see
(I can see
I can see
I can see)
