[Verse 1:]

U can't take back all the things u did
(Things u did)
How could u give my love away
(Love away)
We don't need to have an arguement, I don't wanna
waste no time, I aint interested in shit u gotta say (say)
Cause u crossed the line when u did it (uh ohh)
When u had that other man in my bed (bed)
Now u tell me I imagined it
And that it was all an accident
But I know that it aint all in my head

[Hook:]

I gave u all my love and trust
But it seems u didn't care about us (care about us)
Well, it's time I say enougs enough
I tell u, the decision was rough

[Chorus:]

I'm cuttin u off
No more sleepin in my house
Don't want u commin bac around baby
I'm cuttin u off
No more hugs & kisses
Jus know u gon be missin me crazy
I'm cuttin u off
Cuz u did what u did
And u showed no regards for me, baby
I'm cuttin u off (ooh)
I'm cuttin u off
I'm cuttin u off

[Verse2:]

I don't think that I can live wit this (can't live wit this)
Don't know if I can love agaaiinn
But it seems that u didn't give a damn
Cuz u didn't think it through
Or even ask
Cuz I don't wanna be friends

[Hook:]

I gave u all my love and trust
But it seems u didn't care about us (care about us)
Well it's time I say enoughts enough
I tell u, the decision was rough

[Chorus:]

I'm cuttin u off
No more sleepin in my house
Don't want u commin back around, baby
I'm cuttin u off
No more hugs & kisses
Just know u gon be missin me crazy
I'm cuttin u off
Cuz u did what u did
And u showed no regards for me baby
I'm cuttin u off (oooh)
I'm cuttin u off
I'm cuttin u off

[Bridge:]

Girl, how could u throw it all away like that (that)
I trusted u, now I'm taking it all back (back)
U sat there denying what I saw wit my own two eyes
and, babygirl, what's up wit that
Thought this was something that woulda last, yeah
Now I just want u to pack your bags, yeah
I loved u soo
But now u know

[Chorus:]

I'm cuttin u off
No more sleepin in my house
Don't want u commin back around, baby
I'm cuttin u off
No more hugs & kisses
Just know u gon be missin me crazy
I'm cuttin u off
Cuz u did what u did
And u showed no regards for me, baby
I'm cuttin u off (oooh)
I'm cuttin u off
I'm cuttin u off

Ooh woah
Baby, I'm cuttin u off
Snip snip, I'm cuttin u off
