[Trey songz]

There never been a day tha I
Felt the kidna way that I'm feeling now
I think my life done turned around
There's neva been a girl that changed they way
The way I looked at thing oh I
Swear I'm up and out the game in a minute

Cuz I'm walkin
Different
Talkin different
Thinkin different
Baby girls
My hustlins
Different
Touchin
Kissing
Huggin
Missin
U got me lovin and trippen

Trey I know what u sayin
I think I met the same chick
Does she have a tattoo of a bunny rabbit on her hip
Matta fact I think she told me bout this r and b nigga
I wasn't payin attention she was fine
So I figured I would pour some hennessey
Get her tipsy where I want her
But little did I know she had me right where she want
me
Now I'm wakin up thinkin I really put it down
She left me a note sayin I'll see u around

Cuz I'm walkin
Different
Talkin different
Thinkin different
Baby girls
My hustlins
Different
Touchin

Kissing
Huggin
Missin
Got me lovin and trippen

How could I let myself get cougth up
I know I got that work
I was liek what the f-- ooh
She got me trippen thinkin I'm in love
All bcuz the way she gave it up

Cuz I'm walkin
Different
Talkin different
Thinkin different
Baby girls
My hustlins
Different
Touchin
Kissing
Huggin
Missin
Got me lovin and trippen
