I think it's time
To let u know

I know this chick named trina
She be talkin about
All she wanna do is fuck wit me
Bue I really don't believe her
She be gettin horny everytime she hear my cd
I know this chick aint crazy
Cuz she think she gon be my lady
Oh no no she got me wrong
When she calls I wont answer my phone

They don really knwo about the time
The grind
Of mine
They don't really know about the time
The grind
Of mine
All they care about iswhen I shine
Shine shineee
Thy don't really know about the time
The grindd

Stop callin me
What u want from me?
Want u want form me
Stop callin me
Stop callin me
What u want from me

I think it's time to let u know
I think it's time to let u know

Now let me tell u bout this chick named tanya
She be bringin drama
Feels like she's stalkin me
Cuz she be at my house
When I'm not around
This chick needs to fuckin leave
Oh I know this chick aint crazy
Cuz she swear she gon have my baby

Oh no no no
She got me wrong
When she calls iwont answer my phone.

They don really knwo about the time
The grind
Of mine
They don't really know about the time
The grind
Of mine
All they care about iswhen I shine
Shine shineee
Thy don't really know about the time
The grindd

Stop callin me
What u want from me?
Want u want form me
Stop callin me
Stop callin me
What u want from me

I think it's time to let u know
I think it's time to let u know

Stop weatin me
Just leave me alone
Stop sweatin me
Stop callin my fone.
