(Intro)

(Dialing)

Ohhhh

(Phone ringing)

Oh yeah, ohhhh

(Female voice: Hello?)

Oh right, oh yeah

(Female voice: Brandon, I told you it was over, why are you still callin.)

Oh right

(Verse 1)

When we started out

We were more than friends

I became

So, so, so into you (Oh, really?)

After the very first glance

But you're so far away

Before, you used to want to be with me (Umm, huh)

Now you don't ever come my way

Did I do something wrong? (Wrong? You know what you did.)

Nooo, nooo, nooooo, noooo

I'm so alone

(Bridge)

Baby, it's killing me

Cuz I can't have you

Give up all that I have

Just to hold you

What happened before?

I gotta knoooooow

(I already told you. How many times do we have to go through this?)

(Chorus)

Where did you gooooooooooooo, oooo?

Where did you gooooooooooooo, ooo?

Alright

Aww baby

See now, I aint goin nowhere

I need you in my life
I need you right here
And I'm tellin you
It's not too late
For you to be with me
Do I have to show you
This is where you need to be,
Baby

(Verse2)

I don't know exactly how to tell you this
But I think about you everyday
Time is getting sore without you
And I'm missing you in every way
What happened baby,
Whered you go, oh?
Just tell me
I wanna know
What did doooooo?
To deserve this,
This shit you put me through (You know what I mean.)
Ohhhhhh

(Bridge)

Baby, it's killing me
Cuz I can't have you
I'll give up all that I have
Just to hold you
What happened before?
I gotta knoooooow
(Those days are over. You need to move on.)

(Chorus)

Where did you gooooooooooooo, oooo?
Where did you gooooooooooooo, ooo?
Alright
Aww baby
See now, I aint goin nowhere
I need you in my life
I need you right here
And I'm tellin you
It's not too late
For you to be with me
Do I have to show you
This is where you need to be

(Round)

Come, on, back to me
Come back, come back, come back, come back
I love you, I love you, I love you, I love you

Come, on, back to me
Come back, come back, come back, come back
I love you, I love you, I love you, I love you

Come, on, back to me
Come back, come back, come back, come back
I love you, I love you, I love you, I love you

Come, on, back to me
Come back, come back, come back, come back
I love you, I love you, I love you, I love you

Come, on, back to me
Come back, come back, come back, come back
I love you, I love you, I love you, I love you (Male: I love
you.)

Come, on, back to me (Male: I can't live without you.)
Come back, come back, come back, come back (Male:
Just come back.)
I love you, I love you, I love you, I love you (Male: Come
on.)
Babe

(Outro)
(Male in background: Baby, who you on the phone wit?)
(Female: You had your chance.)

(Phone hangs up, dial tone)
