We are all alone
Who will take us home
There's no need to sleep
With the hearts we keep

Too much too soon
Salt in your wounds
You'll taste it one last time
She's taking over
Kills you to know her
She is your sober night

Keep your eye on Miss Illusion
Black smile with a serpent's stare
Tongue-tied with a chain of cobras
Miss Illusion disappears

We are all alone
Eyes and hearts of stone
There's no need to sleep
You will take us home

Too much too soon
Salt in your wounds
You'll taste it one last time
She's taking over
Kills you to know her
She is your sober night

Keep your eye on Miss Illusion
Black smile with a serpent's stare
Tongue-tied with a chain of cobras
Miss Illusion disappears

Roll the dice with Miss Illusion
Snake Eyes when you play her game
Caught up in the call of chaos
Miss Illusion you're to blame

She will be ours tonight
We stand as gods of light
You'll taste it one last time

She's taking over
Kills you to know her
She is your sober night

Keep your eye on Miss Illusion
Black smile with a serpent's stare
Tongue-tied with a chain of cobras
Miss Illusion you're not there

Take a ride with Miss Illusion
Soft skin but her will is strong
Wound up with a wyld woman
Miss Illusion all night long
