[Verse 1:]

Have you ever loved someone
And felt they didn't care
Have you ever felt like crying
And knew it wouldn't get you anywhere
Did you ever look into their eyes
And say a little prayer did you ever look into their heart
And wish that you were their!!

[Chorus:]

Everyday I say a little prayer for you(oh baby)
If I had one wish to come true
It would be You and Me
Forever More Girl
Everyday I say a little prayer for you If I had one wish to
come true
(oh baby)
It would be You and Me
(I'll say a little prayer for you)
Forever More
Oh
Oh
Oh baby
Now listen

[Verse 2:]

Now have you ever let them walk away
Not wanting them to go
(not wanting them to go)
And whisper under your breath
Ooh I love you
And never let them know
I tried to speak but it comes out wrong
It's got me going insane
So lonely in this cold world
Leaves me so much pain

[Verse 3: breakdown]

Girl if you could read my mind
Don't you know our love would shine

I wanna look you in the eye

Before I let you walk away
Baby please
Here me when I say I love you
Oooooh
Oooooh
Oh baby
Now let me tell you now
Oh oh
Girl!!!
Oooooh
Oooooh
Oooooh!!!
I Love You
Forever More Girl

[Chorus:]

Everyday I say a little prayer for you(I love love love
love love I had)
If I had one wish to come true
It would be You and Me
(I say a little prayer for you)
Forever More
Everyday I say a little prayer for you(oooooh)
If I had one wish to come true
(if I had tell me now)
It would be You and Me
(you and me)
(listen... It would be forever more girl)
I Love You Girl!!
Everyday I say a little prayer for you(ooooh)
If I had one wish to come true
(I Love You)
It would be You and Me
Forever More Girl
Everyday I... Say... A...Prayer
If I had one wish
(ooh I love you)
You and Me Forever More
(you)
