Baby I Was First In Line Standing At The Entrance To
Your
Heart And I'm Tired Of Me Having To Wait Outside
Because I'm The One Who Been
Here First Putting There Work And I Think That I
Deserve Your Time Staring Thru The Glass Baby And
Don't You Shine Prices
I Don't Know How Others Think They Can Buy You
I Like You Want To Make You My Boo.

[Bridge:]

Girl It Ain't No Pressure Just Want You To Know
That There Is No One Better For You. You
Should Know That. When You Wit Me It's
Whatever I Will Never Ever Ever I Will
Never Hurt You.

[Chorus:]

Incase You Haven't Noticed I've Been Here Revoting
Why Got Me Holding Baby You Ain't
Know I Loved You First I Loved You First Shorty I Been
Hoping I Could Get You Open Pay Wit
My Lovin Baby You Ain' Know I Loved You First I Loved
You First.

Now Something Tells Me That My Heart's For You And
I'm

The Type That Thinks My Heart Is True
And I Know It Might Be Kinda Hard For You To Choose
Cause So Many Dudes Say That There
Truth. Girl I Can Treat You Right I Wanna Be The One
Too Make You Smile Cause Girl I Know You
See Me Want You Be My Sweetie I Just Want To Drive
You Crazy Ayyyyy.

[Bridge]

[Chorus]

[Bridge]

If You Please... Baby I Won't Take Up Your Time Ay I'll
Make Sure It's Worth Your Time Cause I
Been Waiting For A Very Long Time So Baby Don't
Look Over Me I'm Where You Supposed To Be.

If You Please... Baby I Won't Take Up Your Time Ayyyy
I'll Make Sure That It's Worth Your Time Cause
I've Been Looking At You From Behind So Baby Don't
Look Over Me I'm Where You Supposed To Be...

[Bridge]

[Chorus]
