[Verse:1]

Can somebody tell me  
Tell me where did we go wrong  
I just can't seem to remember  
How'd we go from happy  
Suddenly to moving on  
Didn't you promise me forever? (forever)

[Chorus:]

I know we both might have made mistakes  
Don't say that it's to late  
If we're willing to make a change  
There's only one thing left to do

We gotta look on the brighter side  
Give it a chance we can make it right  
I wanna try  
Cuz there's no good in goodbye  
and you tomorrow's a sunny day  
As long as you promise you're gonna stay  
By my side  
Cuz there's no good in goodbye

[Verse:2]

There ain't no forgetting  
All the little dreams we shared  
They'll come through if we're together (together)  
We can start all over  
Ending up would be unfair  
It's the only time we'll mak things better  
I know it

[Chorus:]

I know we both might have made mistakes  
Don't say that it's to late  
If we're willing to make a change  
There's only one thing we can do

We gotta look on the brighter side  
Give it a chance we can make it right  
I wanna try

Cuz there's no good in goodbye  
and you tomorrow's a sunny day  
As long as you promise you're gonna stay  
By my side  
Cuz there's no good in goodbye

[Bridge:]

Can you  
Hear me  
Cryin'  
Out don't leave  
Without you i don't know where i would be  
And i'm hopin'  
We can work this out somehow  
That's why  
There's no good in goodbye (goodbye)

Ooooh yeah  
I'm saying  
ooooh (oh yeah)

[Chorus:2x til' fade]
