Boom, Clap [6x]  
Clap...

(Verse One)  
I'm feelin' such a vacancy  
I don't feel whole  
(Whole, whole)  
Wish I could put my finger on it,  
But I don't know what it is  
I looked in every place I could see  
Tryna find the missin' part of me  
I can't explain this feelin'  
(Doo, doo, doo)

(Chorus)  
Feels like I'm on a wrong journey  
Goin in circles  
And I ain't even goin' nowhere  
I'm lost in the middle of nowhereeeee  
Somethin is missin  
(Somebody help me)  
Somethin is missin  
(Missin a part of me, yeah)  
Somethin is missin  
(Show me what it is)  
Show me what's missin  
(Missin)

(Oooooohh, ohhhhh, oh-oh, oh-oh,  
Ohhhhhhh)

(Verse Two)  
I'm in a dark room  
In a bad position  
I'm lookin' for the light to restore  
My vision  
(Vision)  
Cause I'm walkin' blind  
I keep fallin down  
I can't find my way  
(My way)  
I can't explain this feelin'

[Chorus 1x]

(Bridge)

Feels like I'm leavin  
Somethin behind  
Can't think straight,  
Somethin's on my mind  
Can't pay attention cause I'm  
Also broke  
Can't find the words cause  
They all been spoke  
The answer's gotta be right  
(Be right)  
In my face  
(Face)  
What I gotta do to  
Fill this empty space, oh?

[Chorus 1x]
