Almost doesn't count dj premier mix

[brandy talking]

Look, it's all or nothing baby

Are you in? or are you out?

If not I gotta let you go

First verse:

Almost made you love me, almost made you cry

Almost made you happy babe, didn't i, didn't i

You almost had me thinkin', you were turned around

But everybody knows, almost doesn't count

Second verse:

Almost hear you sayin', you were finally free

What was always missin'for you babe, you found it in me

But you can't get to heaven, half off the ground

Everybody knows, almost doesn't count

Hook:

I can't keep on lovin' you one foot outside the door

I hear a funny hesitation of a heart thats never really sure

Can't keep on trying if your lookin' for more

Than all that I could give you, than what you came here for

Verse 3:

Gonna find me some other, not afraid to let go

Want a no doubt be there kind of mine

You came real close, but everytime you build me up

You only let me down, but everybody knows, almost doesn't count

Instrumental break - brandy adlibs

Hook:

I can't keep on lovin' you one foot outside the door

I hear a funny hesitation of a heart thats never really sure

Can't keep on trying if your lookin' for more

Than all that I could give you, than what you came here
for

Soft bridge:

Maybe you'll be sorry, maybe you'll be cold
Maybe you'll come runnin' back baby, from the cruel,
cruel world

Almost convinced me, you're gonna stick around
But everybody knows, almost doesn't count
