When I first saw you I already knew  
There was something Inside of you  
Something I thought that I would never find  
Angel of mine

I look at you, looking at me  
Now I know why they say the best things are free  
Gona love you boy, you are so fine  
Angel of mine

How you changed my world youÂ'll never know  
Im different now, you helped me grow

: CHORUS :

You came into my life straight from above  
When I lost all hope, you show me love  
Im checkin for ya boy, your right on time  
Angel of mine

Nothing means more to me then what we share  
No one in this whole world could ever compare  
Last night, the way you moved is still on my mind  
Angel of mine

What you mean to me youÂ'll never know  
Deep inside, I need to show.

: CHORUS :

You came into my life straight from above  
When I lost all hope, you show me love  
Im checkin for ya boy your right on time  
Angel of mine

I never knew I could feel each moment  
As if they were new  
Every breath that I take, The love that we make  
I only share it with you (you, you, you)

When I first saw you, I already knew  
There was something inside of you  
Something I thought that I would never find  
Angel of mine

: CHORUS :

You came into my life straight from above  
When I lost all hope, you show me love  
Im checkin for ya boy your right on time  
Angel of mine

How you changed my world you'll never know  
Im different now, you helped me grow

I look at you, looking at me  
Now I know why they say the best things are free  
Checkin for ya boy, your right on time  
Angel of mine
