Don't let your fear of a broken heart
Oh yeah
Come on, come on, yeah

Well, as long as you're here
(Oh yeah)
Can we sit together?
And work it out
(Oh yeah, oh yeah)
(Well as long as you're here)

Well as long as you're here
Can we sit together?
And work it out
(We-well as long as you're here)

Before you walk out the door
Give me one minute
To save this relationship
It's gettin' out of hand
You said some things and I said some too
But to be without you
I can't understand

Don't let your fear of a broken heart
Don't let it overrule our love
Can we just work it out?
(Just work it out)
(Ooh, ooh)

Well as long as you're here
(Oh yeah)
Can we sit together?
And work it out
Can we just work it out?

Well as long as you're here
Can we sit together?
And work it out
(Oh oh oh)
(Well as long as you're here)

I want you to be there for me
To dry my tears, to calm my fears
Have I made it clear that I want you
Here with me
So whatever you want me to do
Say the word and baby for you
I'll beg and plead on bended knee
My baby can't you see

Don't let your fear of a broken heart
Don't let it overrule our love
Can we just work it out, yeah?
(Ooh)

Well as long as you're here
Can we sit together?
(Come on)
And work it out
Can we talk about?
Yeah yeah yeah yeah

Well as long as you're here
(Oh yeah yeah)
Can we sit together?
(Oh yeah)
And work it out
Can we just work it out?
(We-well, as long as you're here)

Well, as long as you're here
(Long as you're here)
Can we sit together?
(Can we sit together?)
And work it out
(And work it out)
(We-well as long as you're here)

(We-well as long, well as long)
Well as long as you're here
(Long as you're here)
Can we sit together?
(We-well as long, well as long)
(Sit together)
And work it out
(We-well as long, well as long)

Don't let another day go by
Without us
Being together
But to be without you
I don't wanna say goodbye

(No I don't, no I don't)
Forever
Let's just work
Together

Well as long as you're here
Can we sit together?
(Oh yeah yeah)
And work it out
(Oh yeah babe)
(Well, as long as you're here)
Oh yeah

Well as long as you're here
(Whatever you want me to do?)
Can we sit together?
(Baby I'll do it for you)
And work it out
(Yeah, yeah)
(We-well as long as you're here)

Well as long as you're here
(Oh yeah)
Can we sit together?
(Ho ho yeah)
(Well as long as you're here)

Well as long as you're here
(Come on babe)
Can we sit together?
Let's take a minute
We'll talk about it
(We-well as long as you're here)
Oh yeah

Well as long as you're here
(Well, as long as you're here)
Can we sit together?
(Sit together)
And talk about it, yeah

Well as long as you're here
(Whoa)
Can we sit together?
And work it out
