Chorus

If you don't wanna be here, boy just let me know
If you really don't love me, let me go
Cause I think I rather be alone
Then to have you keep on
Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth with me

Verse 1

Why don't you don't understand the situation that, that
you put me in
I'm so confused cause one minute you do, the next you
don't
And I'm trying to figure out what's going on (yeah)
Cause you don't think it's nothing wrong
But I'm feeling like trying to leading me on (yeah)
We gotta get it straight before it gets to late
Ooh you gotta help me understand how...

Pre-Chorus

Jump in and out of my life
I don't know what to do about it
(I don't know what to do)
Gotta make up your mind
I don't know what to do about it
You can be straight with me and say...

Chorus

If you don't wanna be here, boy just let me know
If you really don't love me, let me go
Cause I think I rather be alone
Then to have you keep on
Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth

Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth with me

Verse 2

I'm sick and tired of it (yeah)
How can you think I love it (yeah)
You come around, say you down, I get nothing from it
But empty promises, I didn't ask for that (no)
Boy you such a mess, I didn't sign up for this
Why do that to me, When I would happily
Give you everything, if you would only let me
But since you wanna play, maybe another day you can
help me understand...

Pre-Chorus

Jump in and out of my life
I don't know what to do about it
(I don't know what to do)
Gotta make up your mind
I don't know what to do about it
You can be straight with me and say...

Chorus

If you don't wanna be here, boy just let me know
If you really don't love me, let me go
Cause I think I rather be alone
Then to have you keep on
Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth
Jumping jacking forth
Jumping back & forth with me

Bridge

It's funny how you be acting like don't want me no more
Then you be knocking at my door
Ha ha
It's funny how you be saying that I'm not what you need
Then you be calling begging please
See I ain't got the time, to be going through with this
Before I lose my mind and feel like a foolish (yeah)
But tell me the truth and I'll make my move...
