This is how the story goes  
I was only 4 years old...  
Was riding by my love on my rocket ship  
Laughin and a singin hopein never to quit  
But u just kept lookin at me and u said...

Your my baby girl u no how much I no love u  
And you got ur mommas eyessss  
That's y... ur so...  
BEAUTIFUL...

A few years past and I got old  
Have to start school in the fall  
I didn't wanna leave just stay with u  
Playin all day trips to the zoo  
But u just kept lookin at me  
And u said

Your my baby girl  
U no how much I love u  
And u... got ur mommas eyes  
That's why u r so...  
BEAUTIFUL

Now the bu is round the corner...  
It's almost time to say goodbye  
So we waved and sadi see yeah later  
But u stoped me looked into my eyes and said,

Your my baby girl  
U no how much I love u,  
And u...  
Got ur mommas eyes  
That's y u r so...  
BEAUTIFUL!

Beautifullllll
