(Chorus)

Baby you don't hit a 180 like it just ain't nothing
Tell me whassup
I remember the good
Cause it wasn't that long ago
We used to sing to our song each time it came on

But now....

You actin like you don't even know me (you actin like)
You actin like you can't even show me
That I'm your girl, your lover and your very best friend
Matter fact, you need to hit that 180 again (Bring it
back)

(1st Verse)

Lately you been leading me
To ask the question why (Ohh)
Lately I been lookin at you
Like, what happen to my guy
Baby you've changed
From the other day
Tryin to act like you ain't
Boy don't even play (Don't even lie)
You know I know betta than anybody else
So baby express yourself
Ohhhh

(Chorus)

Baby you don't hit a 180 like it just ain't nothing
Tell me whassup
I remember the good
Cause it wasn't that long ago
We used to sing to our song each time it came on

But now...

You actin like you don't even know me (you actin like)
You actin like you can't even show me
That I'm your girl, your lover and your very best friend
(Matter fact....)
Matter fact, you need to hit that 180 again(Bring it

Now a partna is somebody that suppose
To carry the load when you can't carry your own
Now when the last time you did me that wayyyy
Take a minute and ya boy Katt Williams
Don't worry I'll wait
See I don't know this dude
I don't know how he like to do
I don't know if he like to rock

Need a little guarantee
Baby listen to me.....

Baby you've changed
From the other day
Tryin to act like you ain't
Boy don't even play
Don't even lie
You know I know betta than anybody else
So baby express yourself

Baby you don hit a 180 like it just ain't nothing

Ya know what I need
Ya know what I want

And it's clear you flexin

Baby cause I felt cha
Stop tryin to be hard
You got nothin to prove
And it's crystal clear
That I love you for you.....

(Chorus)
Baby you don't hit a 180 like it just ain't nothing
Tell me whassup
I remember the good
Cause it wasn't that long ago
We used to sing to our song each time it came on

But now...
You actin like you even know me (you actin like)
You actin like you can't even show me

Matter fact, you need to hit that 180 again
(Bring it back to me, bring it back)

(Chorus)
Baby you don't hit a 180 like it just ain't nothing
(like it just ain't nothing)
Tell me whassup

Come back and I'll try harder
And I put that on my daughter
Ohh hate it
Baby boy you recognize

You actin like you even know me
(like I don't mean a thing to you)
You actin like you can't even show me
That I'm your girl, your lover and your very best friend
Matter fact, you need to hit that 180 again (Bring it
back)
Bring....(Bring it back)
