can i go home with you
cause im like "wha" in my house
if im alone with you
and i wont go without
you say you got a room
for just one night in town
he's got a home sweet home
there we can work it out

chorus

i just want it to be like
where you go and it feels right
may not be in the ... tonight
but as long as youre there

boy thats when im ohh-ohh-ohh
baby take me home-home-home
back my place is la-la-laa
Come on, what youre waiting on-on-on?

i know you wanna go there
oh Baby lets just go there

timba:
check it out
i'm in your ... eyes
girl im like, this is my house
We may not pay the bill
and we stay long on this couch
turn the music up
so they cant hear you scream
we'll be gone before
they can call the police

chorus

someboda out there take me home
i need to go with ya
somebody out there take me home
i need to go with ya
somebody out there take me home

i like to go with ya

is there somebody out there?

...

chorus
