[Chorus:]

Love don't really matter  
No more  
That's the way it seems  
It just  
Doesn't matter no more  
Living in my dreams  
Memories of all  
The hard times  
Crusifies my mind  
All the pain  
I feel deep inside  
Tried to take my life

All loss of your love  
Surpresses me  
Pain and suffering  
Has made me bleed  
Someone rescure me  
In the time of me  
Feelings of our love  
Is hard

(Chorus)

Tears that I cry  
Never had a meaning  
Cold hearted ways  
I still do constantly  
Let your selfish pride  
Get the best of me  
I never could prevent  
Such a tragedy  
I guess I was blind  
By the things I treasured  
Never thought that the love  
I gave would be measured  
I was fooled by your eyes  
The windows into your soul  
It confirms this end  
And now

(Chorus)

Love, love, never (8x)

(Chorus)
