(Escape)(3x)

I'm looking  
For salvation  
A place  
Where I can find peace  
I don't know  
So I turn to you  
So many complications  
Oh  
Everyday is something  
I'm so confused

(Chorus:)  
Escape from my mind  
Escape from my life  
Escape anywhere  
Escape far away  
From here

I'm losing  
All my patience  
It's so hard  
To resist it  
You don't know  
What I'm  
Going through  
No more hesitation  
Some things  
Are so enticing  
I know  
What I have to do

Half the time  
I can't live  
My own life  
Truth be told  
I am fading away  
How can I walk  
Where I fit in?  
So unsure  
What am

I going to do?

(Chorus)

Sometimes  
I need seclusion  
From here  
There's a place  
Inside me  
Holding me down  
I need  
To find a place  
Where no one else is  
Far away  
From everything  
That I know

(Chorus)

(Escape) (8x)
