I wanna loose
Myself in love
(Yeah)
Let him
Have me completely
(Yeah)
If I give you
All my trust
Can I just let me go
(Let me no be afraid)
To let em find my way
Cuz when you
Find someone
Who means
So much to you
Giving all you got
Is easy to do

Chorus:
Just fall
Don't be afraid
Fall
Cuz I'm on my way
Fall
With love in my fate
(In love)
Just fall
You'll be ok
Fall
There's no other way
Fall, just fall
(In love)
Just fall
Don't be afraid
Fall
Cuz I'm on my way
Fall
With love in my fate
(In love)
Just fall
You'll be ok
Fall

There's no other way
Fall, just fall
(In love)
I'm ready to fall
Yeah

So I find myself
Right here
About to lean
Over the edge
Ooh
In your arms
I feel no fear
There is no
Safer place
Then here
In your embrace
So catch me
If I fall

Just fall
Don't be afraid
Fall
Cuz I'm on my way
Fall
With love in my fate
(In love)
Just fall
You'll be ok
Fall
There's no other way
Fall, just fall
(In love)
Just fall
Don't be afraid
Fall
Cuz I'm on my way
Fall
With love in my fate
(In love)
Just fall
It'll be ok
Fall
There's no other way
Fall, just fall
(In love)

Just fall
Don't be afraid
Fall
Cuz I'm on my way

Fall
With love in my fate
(In love)
Just fall
You'll be ok
Fall
There's no other way
Fall, just fall
(In love)
Just fall
Don't be afraid
Fall
Cuz I'm on my way
Fall
With love in my fate
(In love)
Just fall
It'll be ok
Fall
There's no other way
Fall, just fall
(In love)
