I saw the train comin' for me with the force of a million  
marching

I felt the eyes of so many, the whispers and shouts  
about my belief in us

I see the cloaks on the judges, flaws in the judgement,  
beast in the dungeon that dont scare me

And I'll say it on a mountain, say it all in public, hold a  
press conference to speak about my freedom

Just us - lookin' upon a city of towers soaring

Just us - standing our ground in a crowd of lions  
roaring

Just us - I won't be held, I won't back down no more

Just us - Freedom

Just us - Freedom

I flew away this morning, what if I ran away and never  
came back

And all of the fame means nothing, it's all a game and  
the gladiator just won't win

And I see cloaks on the judges, flaws in the judgement,  
beasts in the dungeon, don't look scared to me

And I'll say it on a mountain, say it all in public, hold my  
head high, I'ma speak about my freedom

Just us - lookin' upon a city of towers soaring

Just us - standing our ground in a crowd of lions  
roaring

Just us - I won't be held, I won't back down no more

Just us - Freedom

Just us - Freedom

Free to run on the water

Free to believe, free to love

Free to speak their mountain off the ground(?)

I believe in us

Just us - lookin' upon a city of towers soaring

Just us - standing our ground in a crowd of lions  
roaring

Just us - I won't be held, I won't back down no more

Just us - Freedom  
Just us - Freedom

My Freedom  
My Freedom  
My Freedom  
Freedom, Freedom
