Have you ever loved somebody so much it makes you  
cry  
Have you ever needed something so bad you cant  
sleep at night  
Have you ever tried to find the words but they dont  
come out right  
Have you ever  
Have you ever  
(Have you ever)

Have you ever been in love, been in love so bad  
You'd do anything to make them understand  
Have you ever had someone steal your heart away  
You'd give anything to make them feel the same  
Have you ever searched for words to get you in their  
heart  
But you dont know what to say and you dont know  
where to start

Have you ever loved somebody so much it makes you  
cry  
Have you ever needed something so bad you cant  
sleep at night  
Have you ever tried to find the words but they dont  
come out right  
Have you ever (Have you ever)  
Have you ever

Ooooh  
Have you ever found the one you've dreamed of all  
your life  
You'd do just about anything to look into their eyes  
Have you finally found the one you've given your heart  
to  
Only to find that one won't give their heart to you  
Have you ever closed your eyes and dreamed that they  
were there  
And all you can do is wait for the day when they will  
care

Have you ever loved somebody so much (so much) it

makes you cry  
(Makes you wanna break down and cry)  
Have you ever needed something so bad(so, so bad)  
you cant sleep at night  
Have you ever tried to find the words but they dont  
come out right  
(Have you ever)  
Have you ever  
Have you ever  
(Have you ever ever ever)

What do I gotta do to get you in my arms baby  
What do I gotta say to get to your heart  
To make you understand how I need you next to me  
Gotta get you in my world cuz baby I can't sleep

Have you ever loved somebody so much (so much) it  
makes you cry  
Have you ever needed something so bad you cant  
sleep at night  
Have you ever tried to find the words but they dont  
come out right  
Have you ever  
Have you ever...

Loved somebody so much it makes you cry  
Have you ever needed something so bad you cant  
sleep at night  
(Just cant sleep at night)  
Have you ever tried to find the words but they dont  
come out right  
Have you ever  
Have you ever  
(Have you ever ever ever)  
Ooooo  
Have you ever
