Have you ever loved somebody so much
It makes you cry
Have you ever needed something so bad
You can't sleep at night
Have you ever tried to find the words
But they don't come out right
Have you ever, have you ever

Have you ever been in love
Been in love so bad
You'd do anything to make them understand
Have you ever had someone steal your heart away
You'd give anything up to make them feel the same
Have you ever searched for words to get you in their
heart
But you don't know what to say
And you don't know where to start

Have you ever loved somebody so much
It makes you cry
Have you ever needed something so bad
You can't sleep at night
Have you ever tried to find the words
But they don't come out right
Have you ever, have you ever

Have you ever found the one
You've dreamed of all your life
You'd do just about anything to look into their eyes
Have you finally found the one you've given your heart
to
Only to find that one won't give their heart to you
Have you ever closed your eyes and
Dreamed that they were there
And all you can do is wait for that day when they will
care

Have you ever loved somebody so much
It makes you cry
Have you ever needed something so bad
You can't sleep at night
Have you ever tried to find the words

But they don't come out right
Have you ever, have you ever

Ooooooh oooooh
What do i got to do to get you in my arms baby
What do i got to say to get to your heart
To make ya understand how i need ya next to me
Gotta get ya in my world cuz baby i can't sleep!

Have you ever loved somebody so much
It makes you cry
Have you have you ever needed something so bad
Breaks you apart inside
Have you ever tried to find the words
But they don't come out right
Ooh Have you ever, have you ever
Loved somebody so much
It makes you cry
Have you ever needed something so bad
You can't sleep at (just can't sleep at night)
Try to find the words but they don't come out
Have you ever
Have you ever ever ever
Ohhh have you ever?
