Can I go home with you  
'cause I'm locked out my house  
If I'm alone with you  
then I won't go with them  
You say you got a room  
for just one night in town  
It's not a home sweet home  
if we can't work them out

[PRE-CHORUS:]

I just want it to feel like  
where you go and there it feels right  
May not be in the hills tonight  
but as long as you're there

[CHORUS:]

Boy that's when I'm oh-oh-oh  
Come on, baby take me home-home-home  
Babe my place is la-la-laa  
Come on, what you're waiting on-on-on?  
I know you wanna go there  
Oh baby lets just go there

{Timbaland}

(Check it out)

I'm in your fridge for ice  
girl like this is my house  
We might not make the bed  
if we stay long on this couch  
Go turn the music down  
so they can hear you scream  
We'll be gone before  
they can call the police

[Pre-chorus]

[Chorus]

Somebody out there take me home (home, home)  
I need to go with ya  
Somebody out there take me home (home, home)  
I need to go with ya

Somebody out there take me home (home, home)  
I like to go with ya

Is there somebody out there? [8Å—]  
Whoa ah [4Å—]

[Chorus]

Da da daâ€¦
