### "How High"

Visit "[How High](#)" on MotoLyrics.com

Remember back when, I gave you my day time number  
- number - number - number.

Like I known you all my like we were like the perfect  
strangers - strangers - strangers - strangers.

Now I feel connected to you like a rhythm on the day  
you made me unbreakable - unbreakable - inseparable  
- inseparable.

When you say, Jump, I'll say, How High, How High, How  
High. I wanna touch the sky, I'm so high.

When you say, Jump, I'll say, How High, How High, How  
High. I wanna touch the sky, I'm so high.

Remember back when you took me to meet your  
mother - mother - mother - mother.

She said, she thought you found the perfect lover -  
lover - lover lover.

Now I feel connected to you like a rhythm on the day  
you made me unbreakable - unbreakable -  
inseparable - inseparable.

When you say, Jump, I'll say, How High, How High, How  
High. I wanna touch the sky, I'm so high.

When you say, Jump, I'll say, How High, How High, How  
High. I wanna touch the sky, I'm so high.

I think I knew you before I meet you, it's like dÃ©jÃ  vu  
I fancy you, now I'm rocking you with my Jimmy Choos

This is your debut, you know you're that dude  
I'm keep you like my house on the hill in Malibu

Them other nigga's are old news like old school  
You keep me brand new, you are my soul school

I love your smile, I think you're so cute  
Where have you been up in them last few? Baby, you  
past due

I know you'll never hurt me, your love is bulletproof  
I wanna marry you, I want to mother another you

You know you got the sweetest taboo  
You got me doing what I auto do because baby, I'm in  
love with you

Let's stay together like Rhythm & Blues because me  
without you is a refuse  
You know I need you, I gotta see you like a point of view

'Cos you're internal like the revenue  
Never will be another you

When you say, Jump, I'll say, How High, How High, How  
High. I wanna touch the sky, I'm so high.

When you say, Jump, I'll say, How High, How High, How  
High. I wanna touch the sky, I'm so high.
