I don't really care (echo)

I don't really care (echo)

[verse 1]

Say say

A friends don't like u

Cause theyre talkin bout u

Cause theyre tellin me im doin wrong

Say

Let them say what they wanna say

Mad cause theyre lonely

And I think its still goin strong

[chorus]

I don't really care

Let em hate u

I don't really care

As long as my baby

Standin right here

Right beside me

Make em do whatever they wanna do

I don't really care

It don't phase me

I don't really care

I got my baby

I don't really care

Let em hate u

Make em do whatever they wanna

Whatever they wanna do

Noooo oh oh Ohhhh x3

[verse 2]

Say

They're tryna tell me

What they think I should do

Treatin me like I aint got my own damn mind

(u got ur own damn mind)

Say

Cause im a grown ass woman

And that's what they don't understand

But if they don't got better way to spin that time

Fine

(chorus)

[break]

There aint a damn thing they can do to me  
Baby as long as is u n me  
Hey if u want  
Let em hate if they want  
Baby as long as u believe in me  
Ã¢?Â¡  
Hey if u want  
Hate if u want  
(chorus)
