It's a shame you had to learn the hard way
Now I have to take my love away
You see I could've made it easy
For you to become a part of me
It's a shame you had to learn the hard way
Now I have to take my love away
You see I could've made it easy
For you to become a part of me

Your never even said "I'm sorry"
For all the hurt and pain you caused me
Now I'm supposed to give my deepest sympathy, oh
yeah
You see I had enough of cryin'
And I'm tired of all the lyin'
You see I refuse to let you take advantage of me, baby

It's a shame you had to learn to hard way
(Uuh uh oh)
Now I have to take my love away
(My love away)
You see I could've made it easy
(Made it easy)
For you to become a part of me
(Uuh uh oh)
It's a shame you had to learn to hard way
(It's a shame)
Now I have to take my love away
(My love away)
You see I could've made it easy
(Uuh uh oh, yeah)
For you to become a part of me

Never took the time to think of
All the love that we shared
I realized that most of the time
You were just not there, oh uuh
It was hard for me to see when
When your love was blinding me
But now I know I have to let you
Go your separate way, uuh

Things will never be the same
'Cause baby, baby you did me wrong
Hurt so bad I can't move on
Was it worth all your pain
'Cause, baby you've got to pay
Got to learn the hard way

It's a shame you had to learn to hard way
(It's a shame)
Now I have to take my love away
(Uh uh uh uhh)
You see I could've made it easy
(Made it easy)
For you to become a part of me
(Oh oh oh oh)
It's a shame you had to learn to hard way
(It's a shame)
Now I have to take my love away
(Oh oh oh oh)
You see I could've made it easy
(Ooh)
For you to become a part of me
(Uh uh uh uhh)

It's a shame you had to learn to hard way
(Learn the hard way)
Now I have to take my love away
(Take my love away, take my love away)
You see I could've made it easy
('Cause it hurts so bad)
For you to become a part of me
(It's a shame, it's a shame)
It's a shame you had to learn to hard way
(Yeah)
Now I have to take my love away
(Take my love away)
You see I could've made it easy
(Uuh uh uuh)
For you to become a part of me

Things will never be the same
'Cause baby, baby you did me wrong
Hurt so bad I can't move on
Was it worth all your pain
'Cause, baby you've got to pay
Got to learn the hard way

It's a shame you had to learn to hard way
(lih iih)
Now I have to take my love away
(My love away)

You see I could've made it easy
(I've gone so low)
For you to become a part of me
It's a shame you had to learn to hard way
(Shame you learn the hard way, now I take my love
away)
Now I have to take my love away
You see I could've made it easy
(Made it easy)
For you to become a part of me
(You did me wrong)

It's a shame you had to learn to hard way
(You told me lies)
Now I have to take my love away
(Treated me bad)
You see I could've made it easy
(All of the time)
For you to become a part of me
It's a shame you had to learn to hard way
(Uuhuh ahh)
Now I have to take my love away
(Take my love away)
You see I could've made it easy
(Made it easy, babe)
For you to become a part of me
Part of me
Part of me
Part of me
