"Lifeguard"

We started off so good
We were honestly happy
You used to tell me, I was beautiful
Where did it all go wrong?
I can't believe
There's nothin left for saving
How'd it go...
From being in love to alone
It's like swimming on forever but it's moving us
downstream
We can't win together we're no longer the same team
So you can watch my great escape tonight

Make me wonder...
What's the use of all this?
What else can we call this
Such a complicated love
Make me wonder..
What's the point in crying
Passed the point of trying
I'm afraid that there's no saving us

Baby, I can't be your lifeguard
(we're drowning)
I can't be your lifeguard
(we're drowning)
I can't be your lifeguard
Nobody can save us now
Baby, I can't be your lifeguard
(we're drowning)
Baby, I can't be your lifeguard
(we're drowning)
I can't be your lifeguard
Nobody can save us now
We're drowning

Right when you walk inside
No hello when u see me
You're on the phone talking to your boys
We don't even speak 2 words

I like a chose
To get a "hey baby" from you...
I don't know, what happen to you and I...
Wooooh..
I don't want to be the one living with regrets
Thought about it finally I'm taking my deep breath
Before I step outside you tonight

Make me wonder
What's the use of all this?
What else can we call this
Such a complicated love
Make me wonder..
What's the point in crying?
Passed the point of trying
I'm afraid that there's no saving us

Baby, I can't be your lifeguard
(we're drowning)
I can't be your lifeguard (we're drowning)
I can't be your lifeguard
Nobody can save us now
Baby, I can't be your lifeguard
(we're drowning)
Baby, I can't be your lifeguard
(we're drowning)
I can't be your lifeguard
Nobody can save us now
We're drowning

I can't find the raft to keep this love afloat
Where did it go?
There's no need for searching or rescue
No more, no more
It's so long for hope
It's wondedup for the shore
Baby, it's time that we both move on
Cuz we've been drowning now for too long

Make me wonder
What's the use of all this?
What else can we call this
Such a complicated love
Make me wonder..
What's the point in crying?
Passed the point of trying
I'm afraid that there's no saving us

Baby, I can't be your lifeguard
(we're drowning)
I can't be your lifeguard (we're drowning)

I can't be your lifeguard
Nobody can save us now
Baby, I can't be your lifeguard
(we're drowning)
Baby, I can't be your lifeguard
(we're drowning)
I can't be your lifeguard
Nobody can save us now
We're drowning
