Yeh

U know I tell myself each day, (why'd u love me like this)

That u had 2 love me the most, cos u hurt me the worst

Why'd u love me like that?

Why'd u hurt me like this?

Why u love me like that

Nights like this I don't miss u, and

Nights like this I don't fuss, and

Nights like this I don't wish u,

Come and make it like it was

Once upon a time we was as cool as a __(?)__

Once upon a time I was ur girl u was my man

That was way back, shuda known I'm thru

Tryna have ur back, so I'm sayin 2 u

Chorus

don't fade(?)

don't wait (don't wait)

don't stay if u must leave

see I was blessed enough 2 get the best of me back

but u still got a lot from me

know u took for granted, I loved u the most

did u think, played ur games, leavin me in the cold

tryna tell myself it aint my fault

n u must love me the most cos u hurt me the worst of all

still tryna wrap my mind around what happened

still tryna come to terms with ur actions

r u wonderin what u did

did u ever really give a damn

was it my fault gota make u stop

u don't know how confused I am

oh no

now I'm romanticising
and fantasising
about what u meant
when it's over, and I'm sittin ere
all that left is a broken spirit, so if u can

Chorus
don't fade(?)
don't wait
don't stay if u must leave (if u wana leave)
see I was blessed enough 2 get the best of me back
but u still got a lot from me

don't u know u
took for granted I loved u the most

did u think, played ur games leavin me in the cold
tryna tell myself it aint my fault and
u must love me the most cos u hurt me the worst of all

(make it rite)

thers no way u wana unless ur gona give me

(back my time)

all of the days I was wastin, trustin u
all of the wishes and all of the nights
all of the moments, that I closed my eyes

that I treasure kissin u

this is what u do

Chorus
don't fade(?)
don't wait
(don't stay) don't stay if u must leave

(if u wana leave me)

see I was blessed enough 2 get the best of me back
but u still got a lot from me
know u, took for granted I loved u the most
did u think,(did u think) played ur games leavin me in
the cold

tryna tell myself it aint my fault (no it aint)
u must 2 love me the most (love me the most)
cos u hurt me the worst of all (worst of all)

yes u did

why'd u love me like this?
why'd u hurt me like that?

Chorus

don't fade(?)

don't wait (don't wait)

don't stay if u wana leave

see I was blessed enough 2 get the best of me back

but u still got a lot from me (got a lot from me)

know u, took for granted I loved u the most

did u think, played ur games leavin me in the cold

tryna tell myself it aint my fault (it aint my fault at all)

u must 2 love me the most (love me the lost) cos u hurt
me the worst (hurt me the worst)

of all

why'd u love me like this
