CHORUS:

Though I'm missing you

(Although I'm missing you)

I'll find a way to get through

(I'll find a way to get through)

Living without you

'Cause you were my sister, my strength, and my pride

Only God may know why, still I will get by

I would've known, that you had to go

But so suddenly, so bad

How could it be, not a straight memory worthy of

All that we had made

Now that you're gone, every day I go on (I go on)

But life's just not the same (life's just not the same)

I'm so empty inside, and my tears I can't hide

But I'll try, I'll try to face the pain

REPEAT CHORUS

Oh, there was so many things

That we could have shared, uh-huh

And time was on our side (time was on our side)

Ooh, yeah

Now that you're gone, I can still feel you near

So I'll smile, with every tear I cry

REPEAT CHORUS

How sweet, were the losses to spare?

But I'll wait for the day

When I'll see you again, see you again, yeah

REPEAT CHORUS

I'm missing you
