If I could have your heart
I'd show I love ya
I love you more than
I could love myself
Mountain high
With a valley low
You have no idea
Just how far I'd go
Hey yea

I'll go put on my good clothes
And I sing and dance
I take the time
And I take the chance
I'll make you laugh
I'll make you cry
I'm a tell ya like this
If you ask me, why?

It's all because I love ya
I do
It got to be necessary
To you
Hope your eyes are wide open
You'll see
That your love is necessary
To me

It's all because I love ya
I do
It got to be necessary
To you
Hope your eyes are wide open
You'll see
That your love is necessary
To me
(To me)

When I sing
You know, what I do?
I close my eyes
And I think of you

When I wake up
I'd like to see
How much more
You've become proud of me?

I get excited, my eyes tear
It gives me purpose
For bein' here
I'd walk the desert
And I'd swim the sea
As long as when I get there
You're in love with me

It's all because I love ya
(It's all because I love ya)
I do
Got to be necessary
(Necessary)
To you
Hope your eyes are wide open
You'll see
That your love is necessary
To me

(Hoo)
It's all because I love ya
(It's all)
I do
I got to be necessary
(Got to be necessary)
To you
Hope your eyes are wide open
(Aah)
You'll see
(Oh baby)
That your love is necessary
(Necessary)
To me
(Oow)

You see, life is so very, very short
Your love is keepin'
Me alive
Say that you love me
(Say that you love)
I pray that you love me
(Pray that you love)

'Cause I know if I
Could just hear you say it
(Can hear you say it)

(Could make it)
I could make it through the rest of the day
Say that you love me
(Say it baby)
(Ooh, ooh)
I pray that you love me
(Ooh, no)

It's all because I love ya
(Baby its all because I love ya)
I do
Got to be necessary to you
(Everythin' I do is all because of you)
Hope your eyes are wide open
(Hey yea, yea)
You'll see
That your love is necessary
(Your love is everythin' to me)
To me

It's all because I love ya
I do
Got to be necessary
To you
Hope your eyes are wide open
You'll see
That your love is necessary
To me
(To me)

This be the truth
Ever spoke
I feel naked singin' every note
In my heart, happy
Quick take down this note
This be the truth
Ever wrote
