(2x):

Ding, dida, ding, ding
Ding, ding, ding, ding
Dida, ding, ding, ding
Ding, dida, ding, ding
Ding, dida, ding, ding

I tried to stay up
Cause your on
Your way up
For the weekend
Said you
Wanna see me again
Said you'd be over
Still ain't seen ya Rover
Lookin' out my window
It's a quarter to ten
It's about that time
I really can't stay hot
I know you wanna kick it
And I was wit it
But I won't be trippin'
If you don't show
Won't hear you knockin'
They got vacancy
At the Howard Johnson
You know?

(2x):

Don' try to call me
Cause the ringer off
Don't try to page me
My 2-Way is lost
I had a Jones for ya
But it seems ya lost
I tried to wait for ya
But I'm nodding off

I watched Forrest Gump
And put something
On my stomach
And I called my cousin

Ad listen to her
Gossiping mouth
Touched up my make up
Anything to wake up
Tryna take up some time
While I'm waiting it out
What's the hold up?
Thought you woulda
Rolled up
In the drive way
Before the day came
Why should I wait?
I'm sleepy as hell
And there's no way
I can abort
This mission
So listen

(2x):

Don' try to call me
Cause the ringer off
Don't try to page me
My 2-Way is lost
I had a Jones for ya
But it seems ya lost
I tried to wait for ya
But I'm nodding off

(2x):

No hard
Feelings really
I'm already
Under the cover
Please don't be
Mad at me
You gotta believe
I still love ya

(2x):

Don' try to call me
Cause the ringer off
Don't try to page me
My 2-Way is lost
I had a Jones for ya
But it seems ya lost
I tried to wait for ya
But I'm nodding off

(4x):

Ding, dida, ding, ding
Ding, ding, ding, ding

Dida, ding, ding, ding
Ding, dida, ding, ding
Ding, dida, ding, ding
