Giving me everything, don't know why but it seems  
The more you come around the more I feel lonely  
You always stood right by me, yet my life is incomplete  
The harder you try the more I feel guilty  
'cause you can't satisfy my love when your best is not  
enough  
Even though they say you were meant for me

They think I'm crazy

[Chorus:]

But I'll keep on waiting for the perfect love  
'cause I believe it's gotta be  
Deep as an ocean the kind of emotion that turns you  
inside out  
That leaves no doubt  
That it's more than a feeling it's love that would really  
change my world  
I'm just a simple girl looking for love

(love love love love...)

There ain't nothing wrong with you  
And I love how you wear your cool  
Sometimes I wish I could learn how to love you

Maybe I had an easier time to find the ones I broke  
their lives  
You could lose someone that loves you and end up all  
alone  
'cause I don't know that true love exist if it's just a  
fantasy at best  
But something inside of me tells me there's gotta be  
more

You think I'm crazy

[Chorus:]

You say all we need is time, but time still hasn't change  
my mind  
If I don't feel it by now when will it ever be right?

Don't think I'm crazy

[Chorus:]

(love love love love...)

I'm just a simple girl looking for love
