Mr. Piano Man
Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)
Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)

Do you have
A request
Book handy
I can flip
Through I do
He said my name
Is Rodney
Good to meet you
What do you
Wanna hear
Tonight

He asked me
He says that I
Can feel inside
I've got
What you need
Know exactly
Why
Don't we give
This a try

Play me a song
About heartache
I promise
I can sing
Every word
Play me a song
About love lost
That's another one
Everyone's heard
Strike up

The band

We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight

Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)
Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)

He played a song
Filled
With sadness
I believed him
Even though
We're strippin'
With madness
I could see it
We were lost
In the music

Everyone knew it
Truth
Was in the air
Tonight
I could see
All the faces
They thought
The same
Won't you please

Play me a song
About heartache
I promise
I can sing
Every word
Play me a song

About love lost
That's another one
Everyone's heard
Strike up the band
We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
(Mr. Piano Man)

Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)
Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)

He was going
For hours
People
Crying showers
No one ever really
Telled how it is
I sang
About hopeless
Cause everyone
Knows it, knows it
And it was
So honest

Finally breathing
Some clean air
Been through it
And seen there
I put my star
To fame
Now the spotlight
Was fading
He just kept
On playing

Play me a song
About heartache
I promise
I can sing
Every word
Play me a song
About love lost
That's another one
Everyone's heard
Strike up the band

We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
We can have
The whole world
Singing tonight
(Mr. Piano Man)

Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)
Play a song for us
(Mr. Piano Man)
Play a song for love
(Mr. Piano Man)
