[Tyrese]Eyes wide shut  
But deep down I knew you were the one  
I was hanging on by a thin, thin thread  
Cause in the past, I had those who got in my head  
But you made it worthy to see  
What it really could be  
And I  
I wouldn't trade it  
The love I've been given  
This girl, I promise  
It's worth more than diamonds  
And money couldn't buy it  
Now that the past is the end  
Girl, it's time to begin  
The rest of our lives  
[Brandy]Love just don't come easy  
You gotta work hard, you gotta work smart  
So when you're done, it's amazing  
I smile inside of the love you give to me  
And I feel your loyalty  
So I give it back daily  
Now that my heart is yours, we'll share forever  
And  
I wouldn't trade it  
The love I've been given  
This girl, I promise  
It's worth more than diamonds  
Money couldn't buy it  
Now that the past is the end  
Girl, it's time to begin  
The rest of our lives

[Brandy]Boy, it's always been my dream  
To raise a family, oh yes it is  
[Tyrese]And baby there's no future  
Without you here with me, oh  
I can't wait for you to have my baby

\*\*spoken\*\*

[Tyrese]I love you  
[Brandy]

I love you  
[Tyrese]  
Let's go half on a lifetime  
There's no me without you  
Just promise me one thing  
\*\*\*\*  
[Tyrese]I wouldn't trade in this love  
I wouldn't trade it  
The love I've been given (No, I wouldn't trade it baby)  
This girl, I promise (Just waking up on the side of  
You is the best part of my day)  
It's worth more than diamonds  
Money couldn't buy it  
We've been through it all (Been through it all)  
Thank God we made it (Yes, we made it baby)  
They counted us out (Counted us out)  
But were still standing here  
[Brandy]Now that my heart is yours,  
We'll share  
[Tyrese]  
The rest of our lives
