

Brandy "Should I Go"

Visit "[Should I Go](#)" on MotoLyrics.com

I'm standing on the edge of the industry,
Wondering if it's all that important to me,
To get my records back out there on the street,
It aint like I'm hurting or anything
I'm to the point right now where money aint an issue,
I can roll where I want and what I wanna do,
Tempted to leave it in my rear-view, because this game
aint what I'm used to

Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,

There used to be a few artists at a time,
Now even the veterans are waiting in line,
Premature release of these albums online,
Making it hard for real entertainers to shine,
If you manage to defeat these odds against you, keep
doing your thing 'cause I'm not mad at you-oooh ooh,
Just tryna figure out where I fit in to,
All Of This Now Or If I Do

Should I go? (oooooooh)
Should I stay? (no no)
I'm in control(ye) either way, (oh)
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?

I'm in control either way,

This industry was more like a different world,
When it was just me, monica and babygirl.
(Aaliyah) I never got to tell you how much you meant.
I wish you and me both were sitting here working with
Tim.
Just to be in the presence of people that you affected,
On a personal level just makes me stop for a second...
(enhales),... (exhales)
You were such a blessing,
You only answered one of my questions.

Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,

Well I gave it some time,
And I made up my mind, move over this is my time,
B-rocka is back on the grind.

Whoa, ohhh ohhhhh whoa ohhh ohh whoa ohhh ohh
ohh ohh whoa oh oh ohh whoa ohhh

Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,
Should I go?
Should I stay?
I'm in control either way,

Whoa ohhh ohh ohh whoa ohh
