Verse 1:

I didn't notice the signs... You covered both of my eyes...

(Mis-match text messages, Voicemail evidence...)

The audience yellin', "Damn, she's blind."

Now it's all so clear... Now _____ I'm not scared...

(Now I know she _____ double-skipped on it...)

Audience kept yellin', "Not the stairs."

PreHook:

(I could say that I knew the whole time...) But I would be lyin'...

(You'd have to be a hidden camera...) Recordin' each take of cryin'...

I would say I just could've yelled cut... To stop the tapin'...

(But the end's here...) And I can't change it...

Hook:

The suspense is buildin'... Sittin' on edge of my seat now...

What's the surprise?... What's the surprise?... What's the surprise?

While the plot was thickenin'... I was hangin' off the cliff love...

Said it's a surprise... What's the surprise... ending?

Verse 2:

You didn't notice the signs... You thought I'd just let it slide...

(Guess you kept missin' it... Homeboys visitin'...)

The audience yellin', "Yeah, that's right."

And now it's not so clear... You don't know how you missed me... (Gone...)

Gone while you were gone... Stopped goin' through your phone...

The audience yellin', "'Bout damn time."

PreHook:

(You could say that I knew the whole time...) But you would be lyin'...

(You'd have to be a hidden camera...) Recordin' each take of cryin'...

I would say I just could've yelled cut... To stop the tapin'...

(But the end's here...) And you can't change it...

Hook:

The suspense is buildin'... Sittin' on edge of my seat now...

What's the surprise?... What's the surprise?... What's the surprise?

While the plot was thickenin'... I was hangin' off the cliff love...

Said it's a surprise... What's the surprise... ending?

Bridge:

Everything was ok when I was the victim...

Had me made out to be so naive...

Never knew I was workin' on a masterpiece...

So by the time you thought you had me, yeah...

I worked on my grand finale, yeah...

So now as the credits roll... You're shocked to find out how it all unfolds...

Hook:

The suspense is buildin'... Sittin' on edge of my seat now...

What's the surprise?... What's the surprise?... What's the surprise?

While the plot was thickenin'... I was hangin' off the cliff love...

Said it's a surprise... What's the surprise... ending?

Outro: (Adlibs + Begining of Verse 2)

(Endin'... Endin'... No...)

You didn't notice the signs... You thought I'd just let it slide... Yeah...
